Throughout Summer we will be operating our Summer opening times which are much longer! **Please check www.jadauniforms.co.uk for opening times.** Please note we may have to run an appointment only system in 2021 – check website regularly for up to date information

Due to the many uncertainties with Covid19 we are expecting this Summer to be another particularly challenging one. We are as prepared as we can possibly be for that, however there are ways you can help us considerably...

Ways you can help us:

- Please message us on WhatsApp at 07562 211237 with PARENT NAME only please. This will save us time later from adding contacts in manually when we are starting to send out info / updates / notifications to you directly.
- Please *only* contact us through WhatsApp. This will save us time by keeping all enquiries in one place and by avoiding duplicate/triplicate messages across different platforms. Please allow up to 48 hours for a reply before messaging again. We will of course aim to reply much earlier than this though.
- This is a difficult one sorry! (we are parents too, we get it...) but please try to wait for us to contact you about the status of your order. We lose an incredible amount of time each year responding to order update requests which slow us down considerably. We will be in touch as soon as we have information for you, we promise!
- Similarly, (this is for older children, not recommended for New Starters who will be offered a video fitting appointment), if you have enquiries about our opening times, whether we have a particular item(s) in stock etc, please visit www.jadauniforms.co.uk You can see our **live stock levels** there and place orders for delivery or collection. If you could possibly try to keep the phone lines as free as possible by going online wherever possible please that would be extremely helpful to us and to other parents who may have more complex enquiries.
- Please check our website, www.jadauniforms.co.uk, regularly for updates. If we need to make any changes as we go along, or if there is another lockdown etc, we will post any and all new up to date information there.
- Finally, but most importantly, please try not to worry. New Starters will have priority over all other years again this year and we will be working extremely hard behind the scenes to make sure all orders are fulfilled in time for Back to School. If you have a New Starter who is feeling particularly anxious about uniform **please do contact us**, we can arrange a video call with them to reassure them, maybe show them their uniform or just have a general chat with them (or you while they listen in if they'd rather) to hopefully put their mind at ease.
- **NEXT STEPS:** Once you have sent your message to us via WhatsApp, please wait to hear from us and/or check the website regularly. At the time of writing (15 February 2021) we are in lockdown and uncertain as to when we will be able to re-open which is making it difficult to provide any real information at this point we're sorry. It is **highly likely** we will be running video fitting appointments again and we will be operating a collection point like last year. *There will be a start and end date to the bundle offer as usual*, but any further details are to be confirmed and to follow at this stage until we have further guidance from the government.

Thank you very much for bearing with us!

Add any of these items to your uniform order and pay weekly, monthly or in full when you collect!
