Back To School 2021 – New Starters

Hello! We hope everyone is doing well in these particularly unusual times.

If you have a current Year 6 child due to start their High School journey this September, please do not worry about getting their school uniform. We are working closely with the High Schools, and we have put some new systems in place to enable you to order your child's new school uniform remotely.

From 12th April - 28th May we will offer both online and in person (in the shop) initial fittings.

For Online Fittings (via WhatsApp, until Friday 28th May 2021): You can book a Video Call Fitting Appointment online at www.jada.simplybook.it and we will call you at your chosen time slot. Please be sure to have a flexible/fabric tape measure ready for your appointment, and of course your child! Please don't worry, we will allow for plenty growing room as always. We will run through what happens next with regards to getting the uniforms to you etc. on the video calls, but if you have any urgent questions or need any help at all before then please email sales@jadauniforms.co.uk.

In-Person (In the shop) Fittings: No appointment is necessary for these appointments, just call in during our normal opening hours. *Please Note* we will not be trying clothes on in the shop at least for now while we see how things go, for both online and in person fittings we will be asking you to take measurements while we guide you. Please be mindful of social distancing, especially if there are queues.

From 28th May we will be offering in person (in the shop) initial fittings only.

If you haven't already, it would be helpful for us (not necessary, but helpful) if you could please send a **WhatsApp** message to 07562 211237 with PARENT NAME only please prior to your appointment.
