Albany School Uniform is also available to buy online with **LIVE STOCK LEVELS** at www.jadauniforms.co.uk (Not recommended for New Starters)

As you can appreciate, Summer is an extremely busy time for us. We are always as prepared as we can possibly be for that, however there are ways you can help us considerably...

Ways you can help us:

- Please message us on WhatsApp at 07562 211237 with **PARENT NAME ONLY** as soon as you can. This will save us time later on from adding contacts in manually when we are starting to contact everyone individually. **Even if we have had previous WhatsApp contact please send your details again to be added to the 2022 intake group.**
- Please *only* contact us through WhatsApp. This will save us time by keeping all enquiries in one place and by avoiding duplicate/triplicate messages across different platforms. Please allow up to 48 hours for a reply before messaging again. We will of course aim to reply much sooner than this though.
- This is a difficult one sorry! (we are parents too, we get it...) but please try to wait for us to contact you about the status of your order. We lose an incredible amount of time each year responding to order update requests which slow us down considerably. We will be in touch as soon as we have information for you, we promise!
- Similarly, (this is for older children, not recommended for New Starters), if you have enquiries about our opening times, whether we have a particular item(s) in stock etc, please visit www.jadauniforms.co.uk You can see our **live stock levels** there and place orders for delivery or collection. If you could possibly try to keep the phone lines as free as possible by going online wherever possible please that would be extremely helpful to us and to other parents who may have more complex enquiries.
- Please check the 'Back To School 2022 – Summer Updates' section of our website, www.jadauniforms.co.uk regularly. We will post lots of up-to-date (general) information there such as where we are up to with orders, what deliveries have arrived, what we are still waiting for (if anything) and any other important / relevant info.
- Finally, but most importantly, please try not to worry. New Starters will have priority over all other years and we will be working extremely hard behind the scenes to make sure all orders are fulfilled in time for Back to School. If you have a New Starter who is feeling particularly anxious about uniform or coming in to the shop **please do contact us**, we can arrange a video call to reassure them, maybe show them their uniform or just have a general chat with them (or you while they listen in if they'd rather) to hopefully put their mind at ease.
- **NEXT STEPS:** Once you have sent your contact details to us via WhatsApp, please wait to hear from us and/or check the website for updates regularly. We will be offering video call fitting appointments again this year as well as in-store options. Further details will be sent to you via WhatsApp (once we have your contact info).

Thank you very much for bearing with us!

Add any of these items to your uniform order and pay weekly, monthly, 'as and when' or in full when you collect!
